

Message from President

29/09/2021

Dear Club Members and partners

It is with regret that I have to announce to the club that our Club Manager, Tyler Duberly, will be leaving us to move on to a new and exciting challenge with Squash New Zealand.

Tyler has been appointed as the new Promotion and Competition manager for Squash New Zealand.

While Tyler's official last day is the 28th of October, with the assistance and co-operation of SNZ, Tyler has agreed to extend her help, where she can, to ensure that we can continue to provide exceptional service to our club members if the role remains open past that point.

This will be a great loss to the administration of the club, and I would like to take the time to express my thanks on behalf of the whole club for the tireless work that Tyler put into the club managers position during her time. We will continue to see Tyler around the club as a playing member and I know that in her new role at SNZ, she will be supporting the club in everything that we are looking to achieve.

As a note to all members we (the committee) are actively engaging in a search for Tyler's replacement which I know will be a challenge. We will be posting an advert for the role onto social media as well as our webpage and would like to invite you to share it as and where you can.

In the meantime, your Club committee is also making themselves available to ensure that this transition happens as smoothly as possible.

We thank you for your patience during this period, and as always, feel free to contact us with your questions.

Jim Fitzsimons

President Norths Shore Squash Club.
