Time	Venue	Agenda item
7:30 am	North Shore Event Centre (NSEC)	<p>AGM</p> <p>This is to go over the important information pertaining to the NZSSSA which runs this event. Aaron will be sending out the AGM minutes along with the Presidents and Treasurers reports later this week</p>
8:00 am	NSEC	<p>Managers meeting</p> <p>This is where we explain the draw to those unfamiliar, and hand out team packs. It is also the last chance to add players to the team (you can email me if you have last-minute changes) and check the playing order. The committee checked all players points last weekend and some playing orders have changed as the playing order is by points. The only reason we will accept changes at the managers meeting is if there has been a subsequent points update, or if two players have identical points in a team</p>
